Clark County School District

April 1, 2010

Dear Linda,

The Organization of Black Aerospace Professionals (OBAP) Inc. is holding our **5th Annual Spring Career Fair April 22-23, 2010 at the Renaissance Las Vegas Hotel, Las Vegas, Nevada**. Our previous events were successful and we feel this year's event will be an even bigger success. We are hoping to bring together young men and women who are seeking employment with representatives from the aerospace industry who can provide career guidance and job opportunities. We also want to reach out to students in the local schools to alert them to the career opportunities that await them. Several of our airline pilots and other professionals have volunteered to be available on Wednesday, April 21 and possibly on Friday, April 22 to speak to students at local schools. For longer range planning we are expecting to hold additional career fairs in Las Vegas in October 2010 and April 2011. If any schools are interested in having a pilot speak to students on April 21 or 23 please contact Tony Marshall, 760-247-0456 or 760-963-1177 or F4Tony@aol.com.

You may have noticed that our name has changed slightly since the last time you worked with us. This change indicates an enhancement to the scope of our mission. In the past we limited our focus to pilots only, however, we now serve all careers in the aerospace industry.

OBAP is collaborating with FltOps.com for this career fair and it will be divided into two distinct sessions. On Thursday, April 22nd OBAP will host an informal session from 10:30AM to 3PM. **This event is open to OBAP members and special guests only.** We will also host a Meet and Greet from 7 pm to 9 pm - you and other school district representatives are welcome to join us.

Event Format:

- Informal Round Table Career Opportunity Discussions
- Recruiting Representative Introductions and Remarks
- Breakout Sessions with Candidates and a working lunch
- All signage and audio/visual equipment will be provided by OBAP
- For more information about the FltOps.com Job Fair contact Andrew Stutzman at andrew@fltops.com
- FltOps.com is planning to have an orientation session for selected students and parents from the local area on Friday afternoon.
