## **2010-2011 Hong Im Lee Memorial Scholarship**

Hong Im Lee was a devoted wife, mother, and grandmother who believed in the power of education and the value of family. Born in Korea, Hong Lee and her husband came to the United States so their children would have more opportunities. It is the hope of her family and the scholarship sponsor that this scholarship will provide an opportunity to a worthy student. We would like the scholarship recipient to know that Hong Lee was a wonderful cook and singer, and a great storyteller. Hong Lee was very proud of the achievements of her two children, both of whom are physicians. Her son Dan is an orthopedic surgeon in Las Vegas. Mrs. Lee spent most of her adult life in exploring this city and making it home. She would encourage the recipient to be open to change and adventure. You would make her proud to always strive to achieve your highest potential and to do so with a grateful heart.
