*Schedule is subject to change. ****Children do not attend this class.*

New parents have lots of questions. **BabyCare** is a five-week program for expecting or new parents, that addresses a variety of new-parent concerns from bonding and caring for a new baby to childcare options. Parents learn how to feed, bathe, diaper, dress, care for and play with their baby. Information on early development, health, safety, nutrition and choosing childcare is provided. Parents will explore positive strategies for guiding behavior, communication with young children, managing stress and solving problems to provide nurturing care for their baby. Free of charge.

The **Nurturing Parents and Families** program is designed for parents of children from **6 months to five years-old**. The program promotes positive, healthy and nurturing interactions between parents and their toddlers and preschool children. Developmental stages of children from infancy through preschool are presented. Parents will learn stress management techniques, how to establish routines and handle anger. Problem-solving techniques and appropriate behavior management methods are presented and practiced. *Free of charge.*

The **ABC's of Parenting** is a fun and interactive program that helps parents of school-age children gain an understanding of child development and behavior. Parents learn how to communicate effectively with their children, encourage better behavior, use positive discipline techniques and teach responsibility. The program shows parents how to help children succeed in school and solve problems. Parents will also learn how to manage stress and anger and talk to their children about drugs, alcohol and other issues. *Free of charge.*

4025 Allen Lane

*Schedule is subject to change.***Teens may attend this program with their parent/caregiver.
Children do not attend this program*

ParentTeen Solutions is designed to maximize family strengths and reduce behavioral problems in youth. Youth 12 to 17 years-old attend this program with their parents to promote communication and trust. Parents learn the importance of clear rules and consistent supervision and how to practice a positive approach to discipline that teaches self-responsibility. Parents and youth participate in problem-solving, conflict resolution and asset-building activities designed to promote a nurturing and supportive family environment. *Free of charge.*

Register by calling the Parenting Project at 455-5295

Offered by Clark County Department of Family Services' Parenting Project

*Schedule is subject to change.
Children do not attend this program.*

Blended Families face unique challenges. This program will assist parents and stepparents in understanding the challenges and opportunities presented when forming a blended family and will offer practical techniques to help build a healthy and nurturing “stepfamily.” Topics include: stepfamily myths, tackling the challenges of combining families, having realistic expectations, developing positive communication skills, establishing a behavior management plan, managing family conflict and supporting the positive growth and development of their children (whether they are his, hers or theirs). *Free of charge.*
