New parents have lots of questions. **BabyCare** is a five-week program for expecting or new parents, that addresses a variety of new-parent concerns from bonding and caring for a new baby to childcare options. Parents learn how to feed, bathe, diaper, dress, care for and play with their baby. Information on early development, health, safety, nutrition and choosing childcare is provided. Parents will explore positive strategies for guiding behavior, communication with young children, managing stress and solving problems to provide nurturing care for their baby. Free of charge. *Participants start in Session 1 and must complete all sessions within six months.*

The **ABC's of Parenting** is a fun and interactive program that helps parents of school-age children gain an understanding of child development and behavior. Parents learn how to communicate effectively with their children, encourage better behavior, use positive discipline techniques and teach responsibility. The program shows parents how to help children succeed in school and solve problems. Parents will also learn how to manage stress and anger and talk to their children about drugs, alcohol and other issues. *Free of charge. Participants start in Session 1 and must complete all sessions within six months.*

Schedule is subject to change.

Teens may attend this program with their parent/caregiver.

ParenTeen Solutions is designed to maximize family strengths and reduce behavioral problems in youth. Youth 11 to 17 years-old attend this program with their parents to promote communication and trust. Parents learn the importance of clear rules and consistent supervision and how to practice a positive approach to discipline that teaches self-responsibility. Parents and youth participate in problem-solving, conflict resolution and asset-building activities designed to promote a nurturing and supportive family environment. *Free of charge. Families start in Session 1 and must complete all sessions within six months.*
