## **2010-2011 Sharon Dattoli Memorial Scholarship**

Sharon Denise Dattoli was first and foremost a mother. She provided for her daughter until her last breath. Her laugh was contagious and her smile the light in a dark room. During the last months of her life, she was still smiling and laughing. Although her life was cut short, she will live on in everyone who knew her. If you met her, you loved her. She was an exuberant woman who changed the way employees thought of their boss. She always fought for the underdog. Education was a passion she carried. She fought as the Director of Demographics, Zoning, and GIS to ensure that all students would have the best facility in which to receive an education. She would be pleased to be remembered through this scholarship so other would attend college in her name.
