**2010-2011  
Susan Ayers Memorial Scholarship**

The Susan Ayers Memorial Scholarship was founded on behalf of all independent women, mothers and teachers. Susan Ayers, to her dying day, played all three of those roles with more love and devotion than most could understand or sometimes even appreciate. She held three of the most universally important positions there are, and yet, these positions proved to be among the most undervalued in our society at the end of the 20th century. Perhaps this scholarship will help a young woman or man pay for books or tuition that will lead to the knowledge and insight needed to reassign the proper and rightful value those positions deserve in the 21st century.

**Award**

One scholarship in the amount of \$500 will be awarded. Verification of enrollment (class schedule) is required. Scholarship funds must be applied toward tuition, fees and other appropriate educational expenses. These funds will be disbursed in equal payments over two semesters.
